Purpose Made Hospital Equipment

Product Code: SPECIAL-SLUICES

Special & Purpose Made Hospital Equipment

We are able to manufacture stainless steel hospital equipment to suit your exact requirements. From special sized sluice sinks and slop hoppers, to plaster sinks and surgeons scrub up troughs.

Please call or email us to discuss your requirements.

Delivery on purpose made products is usually about 15 to 20 working days.

**All pictures shown are for illustration purpose only and may be subject to change without notice. Actual product may vary due to product enhancement.
All dimensions shown are for guidance only and may be subject to change or alteration without notice. All items manufactured or purchased separately from a third party to fit our products should be checked against the actual dimensions of the physical product before purchase. We will not be liable for third party costs and consequential loss associated with the items not fitting third party components.**
