

## Pillar Floor Standing Bottle Filler

Product Code: PBF-A

### Floor Standing Bottle Filler

Product Code PBF

- Stainless steel floor mounted bottle filler.
- Free standing pedestal unit or adapted to floor and wall mounting by removing the back panel.
- Easily operated press button with either your hand or forearm.
- Manufactured from grade 304 stainless steel.
- WRAS approved press button water valve.
- WRAS approved water fittings.
- Radius corners for safety.
- Floor and wall mounting points.
- Complete with 32mm waste fitting, flexible waste pipe, press button valve, laminar flow outlet and internal pipework.
- Supplied assembled for easy installation.
- Lockable side door for access to the plumbing connections and fixing points.
- Removable rear panel with large rear opening to facilitate water supply pipes and waste connections if fitted up against a wall.
- To ensure the proper functioning and longevity of this unit, a Y-strainer must be installed as part of the water supply system. The Y-strainer is essential for protecting the internal components and maintaining the correct flow characteristics of the tap. Failure to install a Y-strainer will result in the warranty being void.
