Foot Op Junior Height Bottle Filler & Drinking Fountain (Non-Chilled)

Product Code: DFBF-FJ

Foot Operated Junior Height Combined Fountain And Bottle Filler

Product Code DFBF-FJ

- Junior height foot operated drinking fountain with combined water bottle filler.
- Individual foot operated buttons for water bottle filler and the drinking fountain.
- Manufactured from grade 304 stainless steel with satin polish finish.
- Back to wall and floor standing installation.
- Available as a free standing pedestal unit by adding a rear cover panel.
- Manufactured from stainless steel with a matt polished finish.
- WRAS approved water path fittings.
- Rounded front corners for safety.
- Floor and wall mounting points with a full adult height undershroud to conceal all plumbing.
- Complete with two 32mm waste fittings with flexible waste pipes joined with a T piece to leave a single outlet (requires a trap).
- 15mm compression fittings on foot valves.
- Lockable side door for and large rear opening for access to the plumbing connections and fixing points.
- To ensure the proper functioning and longevity of this unit, a Y-strainer or filter must be installed as part of the water supply system. The Y-strainer / filter is essential for protecting the internal components and maintaining the correct flow characteristics of the tap. Failure to install a Y-strainer or filter will result in the warranty being void.

Size

- 760mm high.
- 300mm front to back.
- 300mm wide.

Delivery

- From stock usually 1 to 2 working days.

Options

- Rear cover panel to make the unit freestanding.
- Adult 900mm height model also available.
