Handsfree Bottle Filler Conversion

Product Code: HFBF-CONV

Handsfree Swan Neck Cup And Bottle Filler Conversion

Product Code HFBF-CONV

No touch handsfree conversion to adapt an existing drinking fountain to foot operated bottle filler. The conversion comprises WRAS approved floor mounted foot valve and swan neck cup and bottle filler. Simply remove your old hand operated bubbler or bottle filling tap and install the new bottle filler and foot valve. Pipework will be required to the foot valve, and from the foot valve to the new tap.

- Handsfree chrome plated brass swan neck bottle and cup filler.
- Chrome plated brass foot valve.
- For use with our bottle fillers or as a replacement for your own bottle filling units.
- WRAS Approved foot valve.
- 1/2" BSP tail to the bottle filling tap.
- Adjustable flow control.
- 1/2" BSP inlet and outlet connections on the foot valve.
- Can also be supplied with a drinking water tap instead of bottle filler.

Delivery

- From stock 1 to 2 working days.
