Floor Standing Slab Urinal

Product Code: FSS

Stainless Steel Floor Standing Urinals

Product code FSS

Stainless steel floor standing slab urinals with a satin polish finish. The urinals are available to order online in five standard sizes, and can be manufactured to order in any size up to and including 3300mm in one piece. The urinals are supplied with:

- Vandal resistant square horizontal sparge pipe flushing system.
- End panels suitable for butting to side wall or leaving exposed.
- Top entry connection for and including an exposed plastic auto cistern and stainless steel downpipe.
- Optional back entry connection with a concealed cistern and downpipe.
- Removable front access panel.
- Centre 38mm waste fitting.

Specials

- Urinals available in purpose made sizes.
- Sizes above 2400mm require special delivery vehicles - so please ring for prices.
- Can be ordered to suit special applications such as L Plan on two walls, or U plan on three walls, two or three pieces with infill panels.

Delivery

- Made to order, usually 5 to 6 working weeks.

Size

- Height 1050mm.
- Projection 300mm.
- Length as ordered.
- Cistern: 455mm long x 126mm front to back x 282mm high.

Optional Extras

- Marnic Water Watch flush controller.
