Floor Standing Trough Urinal Stainless Steel

Product Code: FSTU

Stainless Steel Floor Standing Trough Urinal

Product code FSTU

Stainless steel floor standing trough urinals with a satin polish finish. The floor standing trough urinals are available to order online in five standard sizes, and can be manufactured to order in any size up to and including 3300mm in one piece. The trough urinals are supplied with:

- Vandal resistant square horizontal sparge pipe flushing system.
- Grade 304 stainless steel 1.2mm thick.
- End panels suitable for butting to side wall or leaving exposed.
- Top entry connection for and including exposed plastic auto cistern and stainless steel downpipe.
- Optional back entry connection with a concealed cistern and downpipe.
- Removable front access panel below the trough.
- Centre 38mm waste fitting.

Special Trough Urinals

- Available in purpose made sizes.
- Sizes above 2400mm require special delivery vehicles - so please ring for prices.
- Can be ordered to suit special applications such as L Plan urinal on two walls, or U plan urinal on three walls, either in two or three pieces with infill panels.

Delivery

- Made to order, usually 5 to 6 working weeks.

Size

- Height 1050mm.
- Projection 300mm.
- Length as ordered.
- Cistern: 455mm long x 126mm front to back x 282mm high.

Optional Extra

- Marnic Water Watch flush controller.
