Stainless Steel Floor Recessed Slab Urinal

Product Code: FRS

Stainless Steel Floor Recessed Urinal

Product code FRS

Stainless steel floor recessed slab urinals with a satin polish finish. The recessed urinals are available to order online in five standard sizes, and can be manufactured to order in any size up to and including 3300mm in one piece. The floor recessed urinals are supplied with:

- Vandal resistant square horizontal sparge pipe flushing system.
- End panels suitable for butting to side wall or leaving exposed.
- Top entry connection for and including an exposed plastic auto cistern and stainless steel downpipe.
- Optional back entry connection with a concealed cistern and downpipe.
- Centre 38mm waste fitting.

Specials

- Available in purpose made sizes.
- Sizes above 2400mm require special delivery vehicles - so please ring for prices.
- Can be ordered to suit special applications such as L Plan urinals on two walls, or U plan urinals on three walls, either in two or three pieces with infill panels.

Delivery

- Made to order, usually 5 to 6 working weeks.

Size

- Height including recessed section 1150mm.
- Projection 350mm.
- Length as ordered.

Optional Extras

- Marnic Water Watch flush controller.
