Back Entry Bowl Urinals Stainless Steel

Product Code: SSBU-BE

Back Entry Urinal Bowls - Stainless Steel

Product Code SSBU-BE

Discover the ultimate in hygiene, durability and design with our stainless steel back entry bowl urinal - a perfect choice for commercial washrooms. Manufactured from 1.2 mm thick, bacteriostatic 304 stainless steel with a satin polished finish, this rimless, wall-mounted urinal bowl is built to last and maintain cleanliness..

Installation is simple with a stainless steel wall frame, front access and TORX anti-theft screws. Featuring a rear water inlet and concealed trap to hide all the pipework the bowl urinal offers a clean install with no visible pipework.
