

Biobot Childrens Hand Dryer

Backboard 1

Backboard 2

Product Code: B-BIOBOT

Biobot Children's Hand Dryer

Product Code B-BIOBOT

The Biobot children's hand dryer encourages children to wash and dry their hands on a regular basis. Good hand hygiene will limit the spread of germs and keep school attendances high. High speed hand dryers can be a bit scary for younger users, the Biobot introduces children to hand dryer use with a friendly face with a lower decibel rating.

- Wall mounted hand dryer.
- Choice of two backboards with environmental message.
- No-touch infra red sensor operated.
- Low energy consumption. Uses just 10% of the energy consumed by normal hand dryers.
