Sit On Stainless Steel Wash Trough

Product Code: SOSSWT

Sit on Stainless Steel Wash Trough

Product Code SOSSWT

Our sit on stainless steel wash trough with tap landing is designed to be installed onto a 400mm deep vanity unit (not included). The wash trough is supplied with a centre waste outlet and tap holes can be drilled to your specification. The sit-on wash trough is manufactured in eight standard sizes with the option of custom made lengths up to 3000mm.

Mounting the wash trough on a the vanity unit allows the pipework to be hidden out of harms way.

- Grade 304 stainless steel, 1.2mm thick.
- Centre 38mm flush grated waste fitting (no plug or overflow).
- 30mm flange to front and sides to sit on base unit.
- Taps shown for illustration only, available for extra price in options.
