Semi Circular Wash Fountain

Product Code: WFSC

Stainless Steel Semi Circular Washfountain 4 Person

Product Code WFSC

- Stainless steel semi circular washfountain 965mm wide for 4 users.
- Available in adult and junior height.
- Individual vandal resistant spray heads and controls.
- Fully assembled and ready to connect to your services.
- Integral liquid soap dispenser system.
- Liquid soaps should be chloride free and ph neutral.
- Recommended in the Building Schools for the Future guidelines for Unisex school toilets to help reduce anti social behaviour and vandalism.
- Allows for ease of installation and helps reduce water wastage.
- Complete with waste, and your choice of water control.
- TMV3 mixer valve available as an optional extra.

Water Control Options

- Hand operation – Individual push buttons activate a time flow valve to supply water to their individual spray head for 5 to 60 seconds. This time may be pre-set at each individual valve.
- Sensor Operation – Individual Non-touch sensors activate the water supply to their individual spray head whilst the user’s hands are in the bowl area.

Size

- 965mm wide.
- 815mm front to back.
- Adult 865mm high (to top of bowl).
- Junior 659mm high (to top of bowl).
