Wash Fountain 6 Person

Product Code: WF6

Stainless Steel Circular Wash Fountain 6 Person Adult & Junior Height

Product Code WF6

- Stainless Steel circular wash fountain 972mm diameter for 6 users.
- Available in adult and junior height.
- Individual vandal resistant spray heads and controls.
- Fully assembled and ready to connect to your services.
- Integral liquid soap dispenser system.
- Liquid soaps should be chloride free and ph neutral.
- Recommended in the Building Schools for the Future guidelines for Unisex school toilets to help reduce anti social behaviour and vandalism.
- Allows for ease of installation and helps reduce water wastage.
- The washfountains are complete with waste, liquid soap dispensers, and your choice of water controls.

Water Control Options

- Hand operation – Individual push buttons activate a time flow valve to supply water to their individual spray head for 5 to 60 seconds. This time may be pre-set at each individual valve.
- Sensor Operation – Individual Non-touch sensors activate the water supply to their individual spray head whilst the user's hands are in the bowl area.

Size

- 972mm diameter.
- Adult: 865mm high (to top of bowl).
- Junior 659mm high (to top of bowl).

Delivery

- From stock usually 7 to 10 working days. - **Please note this item is delivered on a pallet.**
- Sometimes lead times can be greater if we have had a high demand for this product, or you require a quantity. Please ring or email for up to date availability.

Optional Extras

- Junior Height reduction kit reduces the Wash Fountain height from 865mm to 764mm.
- TMV3 thermostatic valve with combined checkstop strainer valves.
