Cartridge Installation Kit

Product Code: WU-KIT

Waterless Urinal Waste Cartridge Installation Kit

Product Code WU-KIT

The waterless cartridge installation kit allows you to convert a traditional urinal waste into a waterless urinal waste.

- Convert traditional urinal waste to a waterless cartridge waste.
- Prevents foul odours.
- This cartridge only needs to be replaced every 13 weeks.
- Comes with a minty fragrance which reduces the need for harmful aerosol air fresheners.

Waterless Cartridge

The waterless cartridge sanitises & freshens to help prevent foul odours, this protects the environment and improves the whole washroom experience for all staff and users. The waterless cartridge Incorporates 35 BILLION bacteria and releases 3-500,000 bacteria every day. The bacteria multiplye every 15-20 minutes, building vast colonies within the waste pipe work which destroys uric salts and lime scale.

Delivery

- From stock usually 1 to 2 working days.
