Waterless GRP Urinal Floor Standing

Product Code: WUFS

GRP Waterless Floor Standing Trough Urinals

Product code WUFS

Trough urinals are made from GRP material, which is a lightweight, durable substance with a smooth gloss finish that is easy to clean and requires minimal maintenance. Floor-standing urinals come complete with end panels to make them suitable as standalone units or you can install them side by side to create any size from a combination of different standard sizes. The WUFS model urinals are available to order online in three standard sizes: 600mm, 1200mm, 1800mm and as standard, they are available in 1, 2, and 3-user units. They can also be custom-made to order in a variety of sizes. The urinals come complete with a waterless cartridge waste as standard.

- GRP Material.
- 3 standard sizes - 600mm, 1200mm, 1800mm.
- Centre waste fitting.
- Supplied complete with a waterless cartridge waste.
- Supplied in gloss white as standard.
- Available in a wide range of different colours on special order.

Waterless Cartridge

The waterless cartridge sanitises & freshens to help prevent foul odours, this protects the environment and improves the whole washroom experience for all staff and users. The waterless cartridge Incorporates 35 BILLION bacteria and releases 3-500,000 bacteria every day. The bacteria multiply every 15-20 minutes, building vast colonies within the waste pipe work which destroys uric salts and lime scale.
