Product Code: SANW200P

KWC DVS Washino Childrens Wash & Play Trough

Product Code SANW200P

The KWC DVS Washino Children's Wash & Play Trough is crafted from durable MIRANIT resin-bonded mineral material, offering a smooth, pore-free surface that's resistant to temperatures up to 80°C. Designed with both functionality and aesthetics in mind, the trough features a modern, clean look with a waved front edge that makes it more accessible and comfortable for children to use. Ideal for handwashing or imaginative water play, this trough encourages ease of use without the need for children to overreach, creating a more enjoyable experience. It's kept in stock for faster dispatch and added convenience for our customers. Each unit includes pre-drilled tap holes, an integrated waste and overflow system, and a stand-up waste pipe, everything you need for quick and easy installation.

- Wall mounted style supplied with wall fixing kit (please use kit if suitable for the wall it is being installed on)
- Available in 1100mm (2 user) and 1600mm (3 user).
- 38mm centre waste with stand pipe.
- The trough colour is Alpine White.
- The front of the wash trough is waved for each user.
- Pre drilled single 35mm tap holes per user.
- Manufactured from MIRANIT resin-bonded mineral material.
