Product Code: SANW215P

KWC DVS Washino Childrens Wash & Play Trough

Product Code SANW215P

The KWC DVS Washino Children's Wash & Play Trough is made from robust MIRANIT, a resin-bonded mineral composite known for its strength and smooth, non-porous finish. Engineered to withstand temperatures up to 80°C, it combines durability with child-friendly design. The gently waved front edge enhances accessibility, allowing kids to wash their hands or engage in playful water activities without having to stretch or strain. Its sleek, contemporary appearance makes it a great fit for modern washroom environments. We keep this product in stock to ensure quicker shipping and greater convenience. Each unit is supplied with pre-drilled holes for taps, a built-in waste and overflow system, and a vertical waste pipe for straightforward installation.

- Wall mounted style supplied with wall fixing kit (please use kit if suitable for the wall it is being installed on)
- Available in 1100mm (2 user) and 1600mm (3 user).
- 38mm centre waste with stand pipe.
- The trough colour is Alpine White.
- The front of the wash trough is waved for each user.
- Pre drilled single 35mm tap holes per user.
- Manufactured from MIRANIT resin-bonded mineral material.
