KWC Classroom Basin

Product Code: ANMW322

KWC Classroom Basin

Product Code ANMW322 - **10 x units only at this price**

Durable and hygienic classroom sink manufactured from high-quality resin-bonded mineral material with a smooth, non-porous surface that’s resistant to temperatures up to 80?°C.
Finished in elegant Alpine White, the design features a seamless integrated bowl without overflow, a practical tap landing with a pre-drilled tap hole, and a convenient sponge tray on the left.
The front is gently curved for added comfort, and the rear has a contoured edge for a secure fit. Includes a 32mm strainer waste with plastic threaded connection and all necessary fixing materials.
