

Mini Bottle Filler Wall Mounted

Product Code: MBF

Mini Wall Mounted Bottle Filler With Heavy Duty Swan Neck Tap

Product Code MBF

Upgrade your workspace with this space-saving wall-mounted bottle filler, featuring a robust swan neck filling tap for easy, efficient bottle filling. Designed for durability and ease of use, this heavy-duty unit is ideal for schools, workplaces and public spaces. Quick to install and built to last, it delivers fast bottle filling and ease of use in a compact footprint.

- Stainless steel mini wall hung bottle / cup filler.
- Available in 2 colours, stainless steel or gunmetal grey.
- Manufactured in one piece from stainless steel for extra vandal resistance and durability.
- Compact footprint for smaller area or simply to take up less room.
- Complete with **WRAS approved swan neck bottle / cup filler** with press button valve.
- On / off control to prevent waste of water.
- Wall mounting points on basin.
- To ensure the proper functioning and longevity of this unit, a Y-strainer or filter must be installed as part of the water supply system. The Y-strainer / filter is essential for protecting the internal components and maintaining the correct flow characteristics of the tap. Failure to install a Y-strainer or filter will result in the warranty being void.
