

## Stainless Steel Junior Wash Trough 370mm Projection

Product Code: WT-370

### Stainless Steel Junior Wash Trough 370mm Projection

Product Code WT-370

Stainless steel high quality junior wash troughs, designed for durability, hygiene, and efficiency in commercial and industrial environments. Available in three convenient sizes — 1500mm, 1800mm, and 2400mm — each trough features a 370mm projection from the wall, a central 38mm waste outlet, and tap holes drilled to your specification. Whether you're outfitting a school, workshop, office, or public washroom, our stainless steel trough sinks are in stock and ready for fast delivery across the UK. Built for fast delivery and ease of installation, they offer a long-lasting solution that meets both functional and aesthetic needs.

- Manufactured in one piece from 1.2mm thick 304 grade stainless steel.
- Stocked in 3 standard sizes: 1500mm and 1800mm for 3 users, and 2400mm for 4 users.
- The wash troughs are available from stock for quick standard delivery.
- The wash trough can be supplied with single or pairs of tap holes per user, see options.
- 38mm central waste fitting.
- Integral wall fixing brackets.
- Optional 600mm or 950mm front support legs, including the trough (565mm and 912mm long).
