

Floor Standing Chilled Drinking Fountain

Product Code: ANMX308

Floor Standing Chilled Drinking Fountain

Product Code: ANMX308

Our floor-standing water coolers are built to offer an easy-to-use source of chilled drinking water that's always available. Designed for maximum durability, these units feature robust coated steel construction and a spacious design to fit seamlessly into offices, break rooms, and public areas. Direct mains connection means you'll never run out of fresh, filtered water, while the integrated chlorine-based filter keeps every drink tasting clean and refreshing. The convenient front access panel simplifies filter changes and routine upkeep, ensuring your cooler stays in top condition with minimal effort.
