Accessible Close Coupled Toilet - Stainless Steel

Product Code: ACCTSS

Accessible Stainless Steel Close Coupled Toilet And Cistern

Product Code ACCTSS

The stainless steel accessible close coupled toilet and cistern is the ultimate solution for users with a range of disabilities, including those who use wheelchairs, those who need assistance, and those with other mobility impairments. Manufactured from high-grade 304 bacteriostatic stainless steel, this all-in-one WC unit is engineered for ease of use with an increased height and length to make it easier for accessible users needs. With its sleek, compact design and close coupled cistern, the toilet is ideal for environments where cleanliness, safety, and reliability are non-negotiable — from factories, schools, transport hubs and public buildings. Trust in Washware's commitment to quality and innovation for your sanitary ware needs.
