

Commercial Wash Troughs

Product Code: WT-C

Commercial Wash Troughs

Product Code WT-C

Introducing Our Commercial Stainless Steel Wash Troughs – Built for durability, designed for efficiency. Upgrade your washroom facilities with our premium-grade stainless steel communal trough sinks, available in four versatile lengths: 1200mm, 1600mm, 1800mm, and 2400mm. Each unit is supplied pre-drilled with tap holes for a fast, hassle-free installation – ideal for schools, factories, warehouses, and other high-traffic areas. With fast delivery from stock and robust construction, these wash troughs are the perfect solution for any commercial setting where cost, hygiene and reliability matter.

- The wash troughs are manufactured from stainless steel for extra vandal resistance and durability.
- Stocked in 4 standard sizes: 1200mm with two taps holes, 1600mm with three tap holes, 1800mm with three taps holes and 2400mm with four tap holes.
- Comes as standard with single 35mm tap hole per user.
- The wash troughs and taps are available from stock for quick standard delivery.
- The wash troughs come complete with a 38mm chrome plated domed central waste fitting.
- Integral wall fixing brackets.
- No long wait, no lead time, no manufacturing time, in stock ready for delivery or collection.
