Wall Mounted Accessible Water Cooler

Product Code: WCWM

Wall-Mounted Stainless Steel DDA Compliant Water Cooler

Product Code: WCWM

Accessible, High-Performance Chilled Water Solution. The model A171408F-220V wall-mounted DDA compliant watercooler is a premium, wheelchair-accessible drinking fountain designed for schools, gyms, offices and commercial environments. Manufactured from high-grade 304 stainless steel, this durable and hygienic water cooler provides 30 litres of chilled drinking water per hour, making it ideal for high-usage areas. With easy-push anti-microbial controls and flexible installation height options, it delivers reliable performance while meeting modern accessibility standards.

Optimised for efficiency, safety and long-term use, this wall-mounted water cooler is one of the most cost-effective and compliant hydration solutions for indoor public spaces.

Key Features & Benefits
