Combined Drinking Fountain & Bottle Filler- Junior Height (Non-Chilled)

Product Code: DFBFFS-J

Combined Drinking Fountain & Bottle Filler - Junior Height

Product Code DFBFFS-J

- Stainless steel floorstanding drinking fountains with WRAS approved bubbler and bottle filling valve tap.
- Junior height under shroud to conceal pipework and trap.
- Also available in adult height.
- 1/3rd thicker than most of our competitors drinking fountains.
- Rounded front design for safety.
- Complete with standard WRAS approved shielded chrome press button drinking water bubbler and bottle filler valve.
- Supplied with fixing bracket, frame, shroud and 32mm waste fitting.
- Recommended for many applications, including infant and junior schools.
- Tested to 2.0 Bar pressure.
- Please ensure that these are drained down and isolated in cold weather to avoid damage to the bubbler.
- To ensure the proper functioning and longevity of this unit, a Y-strainer or filter must be installed as part of the water supply system. The Y-strainer / filter is essential for protecting the internal components and maintaining the correct flow characteristics of the tap. Failure to install a Y-strainer or filter will result in the warranty being void.
