

Wudu Wash Basin Dual Level - Clearance

Product Code: DW-CL

Clearance - One Off Dual Level Wudu Wash Basin

Product Code DW-CL

This dual-level Wudu wash basin offers a practical and hygienic solution for ablution before prayer. Designed to support the traditional cleansing process (Wudu), it provides a comfortable and efficient washing experience in a single, space-saving unit.

The design combines an upper basin for hand and face washing with a lower basin dedicated to foot washing, making it suitable for users of all ages. Ideal for residential use as well as mosques, schools, and prayer facilities.

Key Features:

- Two-in-One Basin Design – Upper sink for hand/face washing paired with a lower foot wash section for full ablution.
- Comfort-Focused Layout – Positioned to minimise bending, making it easier for children and elderly users.
- Cost-Effective Solution – Single unit reduces installation complexity, saving time and materials.
- Low-Splash Shape – Contoured basins help keep surrounding areas cleaner and drier.
- Durable Ceramic Build – Hard-wearing, easy to clean, and resistant to staining.
- Neat Installation – Designed for floor and back-to-wall fitting with concealed pipework for a tidy finish.
- Suitable for Busy Settings – Well-suited to high-use environments such as places of worship, schools, and workplaces.
- Clean, Contemporary Style – Neutral design fits both modern and traditional interiors.
