Clearance 1000mm Solid Surface Wash Trough

Product Code: CL-SSWT

Clearance – One-Off Solid Surface Wall Mounted Wash Trough (1000mm)

Product Code CL-SSWT

Clearance – One-Off Solid Surface Wall Mounted Wash Trough (1000mm)

Available as a single clearance unit, this wall-mounted solid surface wash trough offers a durable and hygienic solution for commercial and educational washroom environments. Manufactured from high-quality solid surface material, it is designed for long-lasting performance and easy maintenance.

This particular unit features a clean white trough paired with a contrasting dark blue front fascia panel, creating a modern and practical wash station.

Key Features:

- Wall Mounted Design – Supplied with brackets for secure installation and a neat, space-saving finish.
- 1000mm long with two single 35mm tap holes.
- Integrated Tap Landing – Suitable for deck-mounted taps (not included), allowing flexibility in tap choice.
- Durable Solid Surface Construction – Strong, non-porous material that resists wear, staining, and bacterial growth.
- Hygienic & Easy to Clean – Smooth surface helps maintain high cleanliness standards in busy environments.
- Removable Front Fascia – 150mm fascia panel in dark blue provides a smart contrast and allows easy access if required.
- Commercial-Grade Quality – Ideal for schools, public washrooms, workplaces, and similar high-use settings.

Specification (Clearance Unit Only):

- Length: 1000mm.
- Colour: White trough with dark blue fascia panel.
- Waste: Centre 38mm outlet.
- Mounting: Wall mounted with included brackets.

Important Note:

- This is a one-off clearance item – no alternative sizes or colour options available.
- Taps are not included but the unit is compatible with a wide range of deck-mounted options.

Installation:

- Supplied with wall brackets for installation.
- Adequate wall support/fixings will be required due to the weight of the unit.

Delivery:

- Ready for despatch
- Delivery arranged via pallet or dedicated transport (cost dependent on location and added at checkout).
- Usually 1 to 3 working days.

DfE & BS EN 14296 Compliance

This wash trough is manufactured in accordance with BS EN 14296:2015+A1:2018 – Sanitary appliances – Communal washing troughs and is suitable for installation in schools, colleges and other educational facilities.

Designed to form part of a Department for Education (DfE) compliant washroom installation, the trough incorporates an integral upstand and is intended to be installed alongside contractor-supplied wall finishes, splashbacks, concealed services and access panels where required by the project specification.

Overall compliance with the Department for Education School Output Specification is achieved through the completed washroom installation.
